

HR Field in Pakistan is in its embryonic stage where professionals and academicians find only the foreign Studies on HR related issues & practices and feel deprived of HR Knowledge with respect to Pakistan's Corporate Scenario. To fill this need, "Highly Keen HR Magazine" aims to thrive the True HR culture in Pakistan by promoting corporate case studies, articles and research papers related to real time HRM practices and issues in Pakistani Companies. The Editorial Team of "Highly Keen HR Magazine" invites all the **HR Professionals** and **Academicians to show their pen power and contribute HRM Related writings for the Magazine.**

Highly Keen HR Magazine™

January – April – July – October
